

## Jump In!

Imagine jumping into a painting of your choice. How would it feel to be there? What would the ground feel like? Is it warm or cool? What would you wear? Where is the light coming from? What does it smell like? What are you doing? Are you eating? What? Answer the questions: Who? What? When? Where? How do you feel? Explain your thoughts and experience by writing a paragraph that describes your experience in the painting.

→ Title your paper with the title of the painting you're choosing
