1. What was the goal of the relief, recovery, and reform programs?

2. When looking at a document for the first time, what things you think are important to look at first?

Step 1:

- Was the New Deal a success or failure?
- Break up into groups of 4...I will do this!

Step 2:

- 20 mins to read/annotate the documents

Step 3:

- Team A: The New Deal was a success
 - Team B: The New Deal was a failure
-
- Find evidence to prove your argument
 - Do this on the last page

Step 4:

- Team A presents their finding to Team B
 - Team B writes down their evidence
- Team B presents their findings to Team A
 - Team A writes down their evidence

Step 5:

- Teams come to a consensus

Step 6:

- Discussion:
 - Was the New Deal a success or a failure?
 - What evidence do you have to support your claim?
 - What other evidence would you need to strengthen your claim?

Homework Assignment:

In a well written essay...

- What is your perspective?
- Choose the three strongest pieces of evidence
- Explain each document and how it relates to your perspective
