

Travel Brochure Project

Due: Wednesday, March 6, 2024

Mr. Kissen has surprised me with a trip to Spain this summer, but we've never been and we need your help to plan where to go and what to see!

Your Assignment: Create a travel brochure of all the places we should see and all the places we should go to in Spain! **Your brochure can be completed online using Google Docs, Google Slides, Canva, or hand drawn.**

Requirements

- **Your brochure must include the following things:**
 - **Six Stops:**
 - **One stop must relate to something historical**
 - **Two stops must relate to the arts and culture of the country**
 - **One stop must be a significant geographical site (ex. Grand Canyon)**
 - **The remaining TWO stops are your choice of what you think I would like to see!**
 - **With each stop, you must provide the location of your stop, what it is called, what we will see at this site, why we should go here and if it costs money to get in. If you like to include additional information, I would love that!**
 - **At least 6 images (not including the map!)**
 - **Cultural aspects (religions, customs, foods eaten, currency, etc)**
 - **Other things (Activities) to do?/Other places to visit?**
 - **At least 5 fun facts about Spain**
