

Dear Parents and Guardians,

In our United States history class we are about to begin a unit studying World War II. It is my intention to use videotape to highlight and give actual practical application to topics discussed. Therefore, I will be showing video clips from "Pearl Harbor," and "Saving Private Ryan." I will also be showing the film, "Schindler's List." The movies are rated R primarily for graphic violence and some nudity. In addition, we will be watching the film, "A Bright Shining Lie" when we get to our Vietnam Unit. This movie is rated R primarily for graphic violence, strong language, and some nudity.

This letter is being sent to you in compliance with District policy requiring parents/guardians to approve intended use of video or films which are not owned, broadcast, or recommended by the District prior to their scheduled showing. Please complete the following form. Students not returning the form or requesting not to be shown the videos will be given an alternative assignment. Should you have any questions regarding the film please contact me via email.
